

PROPELLER

HENRY V

REHEARSAL NOTES

SHEET NO: 10

DATE : Monday 17th October 2011

GENERAL

- A cigarette will be smoked during Scene 13. Lit onstage, extinguished onstage TBC. Dominic Thorburn smoking it. Herbal.

DESIGN

PRODUCTION

- The mini mist will be used going into Scene 13 and also before Pistol's entrance during Scene 13. Two shorts bursts onstage (unplugged) and then goes offstage. This journey is repeated a few minutes.

PROPS

- A nail brush, loofah, sponge and razor (for shaving legs. Old fashioned metal one without a blade) are needed for Scene 12.
- If Katherine's dress won't stand up on its own a mannequin will be needed to set it onstage. DL near the truss. (Scene 12)
- A dressing table and chair are needed for Scene 12. for Katherine to sit and put her make up on
- A small French-English dictionary is needed for Katherine.
- A cheap camera with a flash is needed for Scene 12. A throw away Kodak would be fine, as long as the flash keeps on working.
- Dom needs a delivery note. Chris will sign it when the bath is delivered.
- 2 pairs of binoculars are needed. A small pair for Chris as Exeter and a larger pair for Rob as Constable.
- 4 mess tins are being used with flame gel. Can these be kept in the bergens or do they need to be kept flat prior to use?
- Can John (as Erpingham) have an old grey blanket as his bed roll please?
- A map is needed for Fluellen. Small, folded, of the region (France). Possibly set in radio bag.
- A glass of brandy is needed for Constable
- A boiled sweet is needed for Bates in Scene 14.

WARDROBE

- Will Katherine's dress stand up on its own? Karl will step into it on stage.
- Could we have a cloak for Erpingham and a beanie hat for Henry in rehearsals please?

STAGE MANAGEMENT

PROPELLER

LIGHTING

- A light is needed USL for Finn to bounce off a mirror DSR onto Katherine stood DSL/DC
- The mini mist will be used going into Scene 13 and also before Pistol's entrance during Scene 13.

SOUND

Thank you,
Ellie Randall
