#### GENERAL

- The next production meeting is Wednesday 2<sup>nd</sup> November at 1pm

#### DESIGN

#### PRODUCTION

Ed has asked if anything can be done about the brake on the tower becoming inaccessible when it is pushed up/down stage. Could the gates also be looked at as some are very tight and difficult to open?

#### PROPS

- The bowie knife that Finn uses as Nym needs some of the point rounding off and the blade blunting some more.
- The cigarettes and booze that are handed out in Scene 5 should be 200's of cigarettes (X 12) and plastic bottles of cheap wine (X6).
- A room key with a big tag (the kind you get in a bed and breakfast) is needed for Scene 5.
- Vomit is needed for Vinny as Pistol. Please see wardrobe note.
- It is confirmed that Gunnar will roll a cigarette during Scene 7. A tobacco tin rather than a pouch is needed. He doesn't smoke the cigarette he rolls.

#### WARDROBE

- Vinny as Pistol will spill some lager over himself. He is also being sick and wiping his mouth on Mistress Quickly's chest. Some vomit may also go on Pistol's costume or Quickly's skirt.
- Mistress Quickly's boobs should be tennis balls. Vinny will remove the right one during the course of the action and hand it back to Tony to replace.

#### STAGE MANAGEMENT

#### LIGHTING

#### SOUND

- A loud hailer is being used for the Governor of Harfleur.

Thank you,  
Ellie Randall
